## Skyler and Sarah Room 13, Grade 3

Skyler's favorite field trip was the Pacific Science Center. This summer Sarah's going camping. Sarah and Skyler will remember everything their teacher taught them. Skyler will also go to Camp Coleman, theater camp, and will go fishing in Alaska. Sarah and Skyler are going to Market Place.

## Grace and Ashley, Room 23, Grades 3, 4, & 5

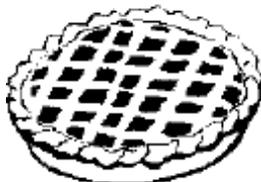

The fifth graders were excited about going camping. We now have an artist in residence. We are working with students from rooms 25, 22, and 2, with Mr. Ro-boalino, to make a mosaic. The mosaic will be about underwater sea life and will be hung up the stairs on the second floor landing. On June 18th we have a community reception to unveil the art.

Editor: Mr. Ahlness

*News from the classroom.....*

**Evan and Kirby  
Room 12, Grade 3**

Evan: My favorite field trip was the Science Center trip because we saw a lot of interesting stuff. We really liked the IMAX movie.

Kirby: In the summer I am going to summer school. On July 3rd it is my birthday, and I am going to see the Power Puff Girls movie with my mom, dad, brother, and my cousin. On July 13th I am having my own slumber party, and we are having a magician, and it is going to be so fun!

**Forrest and Kaela  
Room 17, Grade 2**

On June 12 our class went on a field trip to Lincoln Park, and we found sea creatures. It was great! Field Day is coming—Yeah! In the summer we will ride our bikes and go swimming. We will maybe go to Alki.

What is the winter afraid of?

Sun and sprng

**Ann and Josh  
Room 9, Grade 3**

Ann: My favorite field trip this year was swimming at Evergreen Pool. It was fun swimming with the whole class!

Josh: My favorite field trip was swimming at Evergreen Pool, too. What I liked the most was flipping off the diving board.

Voiceless, it cries  
Wingless, it flutters,  
Toothless, it bites,  
Mouthless, it mutters.

**Elan and Nancy, Room  
16, Grades 1 & 2**

We dedicate this news report to Mr. Ahlness. Thank you for publishing the newspaper all year. Have a nice summer, Mr. Ahlness. It's almost the end of term, and everybody is excited, I know room 16 is! We went to Lincoln Park beach. My (Elan) favorite memory is making new friends. Nancy is excited about reading books and going to Mexico.

**Holli and Jeffrey  
Room 18, Grade 2**

We went on a field trip on June 11th. We went to the beach. We made a newspaper. This Friday we taught the class something. Some people are bringing pets.

Because he wanted to see the moo-viel!

**Brienna and Jesse  
Room 19, Grade 1**

The Mile Run was a blast! I thought the brown Popsicles were chocolate, but they were root beer!

I am going to Hawaii next summer to visit my grandma and grandpa. And when I get to Hawaii, I get to go to the ocean with my grandma!

**Teryn and Jenna, Room 25,  
Grades 4 & 5**

I (Jenna) can't wait until the end of this school year. I will miss the school and some of the people. Next year when I (Jenna) am in 6th grade, I might come and visit. I will miss Mrs. Luke and Mr. Jordan a lot. I will also miss my teachers from previous years at Arbor Heights. My favorite field trips this year were the Patrol field trip to Wild Waves, the field trip to Evergreen Swimming Pool, the field trip to Salmon Homecoming (because I got to read my group's story in front of a huge crowd), the Kid's Festival downtown because I got to sing karaoke, and also the pen friend field trip to the Bon Marche.

For this summer I (Jenna) am going to Ocean Shores and will go camping a lot. My cousin Betsy is going to have a baby. The baby's name will be Madison. Also this summer I will go swimming a lot, and I will remember to write my pen friend. I will also have to do my paper route every Tuesday BOO HOO! I probably won't go on any big trips this summer, though.

I would like to say goodbye to all the teachers, and thank you. I will have fun in 6th grade.

Did you hear that they aren't making pencils any longer?

*They are already long enough!*

What grants a gorilla's wish?

*A hairy godmother!*

**Jim and Surafail, Room 21, Grade 5**

Surafail: I liked the Ice Cream Social with our pen friends. I will remember news reports and all the teachers. I'll remember the patrol field trip that happened on May 28. The patrol went to Wild Waves. I didn't go in the water, but I went on other rides without water.

Jim: I have plans for the summer. They are to go on a road trip through Yellowstone Park, the Grand Tetons, then down to the north rim of the Grand Canyon—where I am going to meet my big sister Katie, who's coming back from Bali— and then back up to the Arches and Escalante, and then back home! My favorite field trip was to go see my pen pal also. I will remember all my friends that are going to different schools and all the things I learned from my teachers this year.

### Callan and Jamee Room 15, Grades 1 & 2

At the end of the year in our class we always have a watermelon eating contest. On June 11th we went to Lincoln Park at low tide, and we had a family potluck. We have butterflies, and we are going to let them be free.

Because he felt crummy!

### Michael and Karla Room 22, Grade 4

Karla: We are doing art with a man named Marisio. He is a good man. We are going swimming with Room 7, Mrs Sato's class, and other classrooms.

Michael: I have so much planned for the summer, I can't say everything. My favorite field trip was to release the salmon, count exo-skeletons, and a pizza party at Lincoln Park.

Here's a joke to fool your friends with: Say, "I bet I can make you say black." He/she says, "I bet you can't." You say, "What colors are the American flag?" They say, "Red, white, and blue." You say, "I made you say blue!" "But you said make me say black!" - "You just did!"

### Kayla and Marcus Room 24, Grade 5

I can't wait until summer. Almost all of the 5th graders are going to middle school. But camp is going to be really fun.—Kayla's opinion.

I can't wait until summer either. I just want to go to Florida and hang out with my cousins at the house.—Marcus' opinion
