- Classroom News
- Memorial Day Word Search
- Great Jokes and Riddles!
- Spring Pictures to Color!

Shelby and Elyssa Room 7, Grade 4

We just took the WASL. I (Shelby) want to say to the third graders, get ready! We went to Camp Long on May 13th. In reading we are reading Hatchet, written by Gary Paulsen. We just finished making windmills.

What do
Pancake
Breakfasts
and baseball
games have
in common?

They both have
batters and plates!

Derek Munson Reading Enemy Pie

Stories, poems, articles, and *great* jokes from student news reporters at Arbor Heights Elementary School in Seattle, WA
Editor: Mr. Ahlness

News from the classroom.....

**Ann and Josh
Room 9, Grade 3**

Our class had a party for our teacher's assistant, Ms. Richey. We will miss her a lot. It was fun swimming at Evergreen Pool. We got separated into two groups. There were the swimmers and the advanced.

Why can't a man living in Washington be buried in Oregon?

Because he's still living!

**Callan and Jamee
Room 15, Grades 1&2**

We were working on our Young Authors' books, and we made Mother's Day gifts. We have some starlings nesting in our garden, but we call it Bird Paradise!

What did the spider have for lunch?

A hamburger and flies!

**Ashley and Grace
Room 23, Grades 4&5**

We went to the Very Special Arts Festival on Tuesday, May 7th with Mrs. Crooke's class. We had a great time dancing and playing and making things. We were excited about going to the Bon Marche Ice Cream Social last week and the Children's International Festival with Ms. Christianson's class.

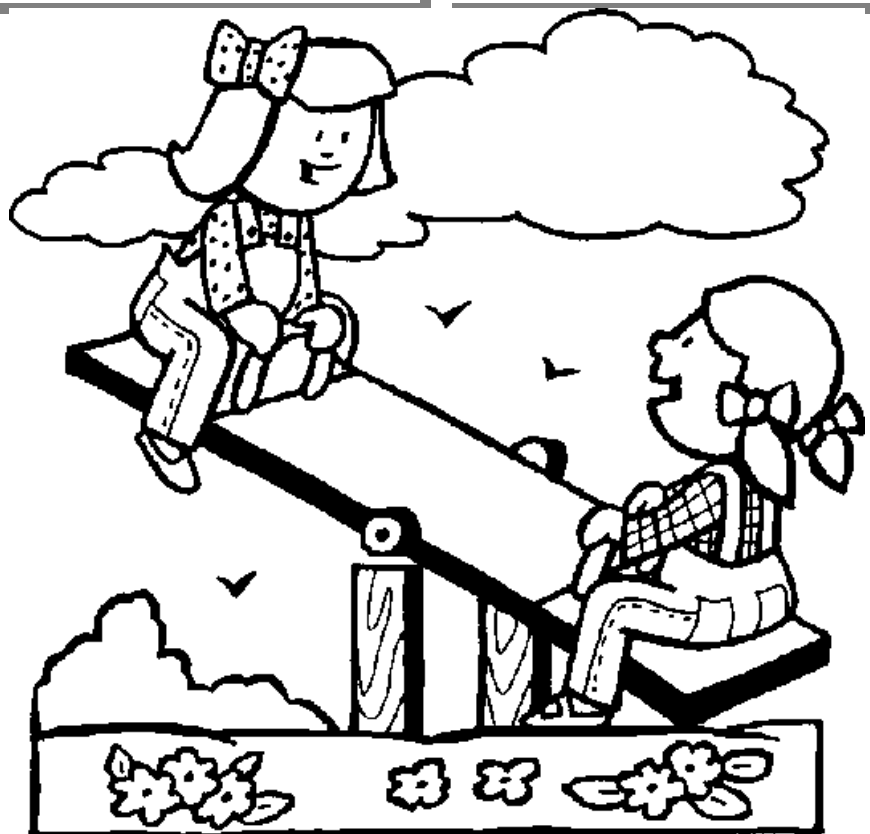

What did the dog say to the tree?

You got more bark than me!

**Marcus and Kayla
Room 24, Grade 5**

For Memorial Day I'm going to visit my aunt for a week and miss school! (Marcus). I'm going to visit my auntie too (Kayla)! She also lives in Florida. My cousins live there too. I can't wait, but in summer it's really hot. I'd rather go in the fall.

Three people in our class went to the Seattle Center with Mrs. Crooke, because Marcus, Nicole, and Kayla helped the kids in her class.

More classroom news.....

**Jenna and Teryn
Room 24, Grades 4&5**

For Mother's Day our class made different things with wire, beads, glue, wood, cloth, and other materials for our moms. Some people made stuff with Play-dough, too. For Mother's Day I (Teryn) made a jewelry box for my mom. For the talent show I might do double dutch.

On May 15th it was my (Jenna's) birthday. I went to the Marriott Hotel to celebrate with my friends and family. It was really fun!

The fifth graders are going to camp in June, and it will be really cool (we hope).

Most of us can't wait until 6th grade. The 4th graders are excited about 5th grade. They will be the oldest in the school. We are all excited about summer. I (Jenna) can't wait! I also can't wait until the 4th of July.

Why was the math book sad?

Because it had a lot of problems!

**Evan and Kirby
Room 12, Grade 3**

We went to the Seattle Science Center. We saw the IMAX movie about beavers, and we saw a laser light show. One thing that we have been doing is making a PowerPoint slideshow for Ms. McDonald.

Why did the boy throw the clock out the window?

He wanted to see time fly!

**Sarah and Skyler
Room 13, Grade 3**

We made flower pots for Mother's Day. We also put flowers in them. Sarah's mom really liked it. Our class went to the Pacific Science Center. It was fun! We also made cards. In the cards we put seeds, because we want our flowers to last.

What game do people play in the Mall?

Price tag!

Making *Enemy Pie!*

**Nicole M. &
Nicole B.
Room 18, Grade 2**

We had a field trip to the Seattle Art Museum on the 14th of May. We were so excited about the field trip. We went to see African art at the museum. We made Mother's Day presents. They were very beautiful. Well, that was our news report.

The End!

**Paige and Kerri
Room 16, Grades 1&2**

Seven days ago we went to the Art Museum. It was fun. We saw cool carvings and cool paintings from Africa, and it was a blast. Our next trip is to the beach, for a low tide picnic. We will see lots of neat sea animals and plants.
