In room 19 we have been doing lots of writing. We also have been doing lots of reading.

We like Mrs. Marsh. She is really nice. We get lots of recess. Every Friday we get free time.

Tina and Kevin Room 25, Grade 4

A lot of work!

In room 25 there's a lot of work, but it is really easy. Our teacher said as the time goes by the work will get harder and harder, and we think we will be able to do it. Oh now that we think of it, we have to do instrumental music too. What is really cool is that we are both playing the violin. Actually, half the class is doing the violin, so we hope you like it!!! :)

Receptionist: *Doctor, there's an invisible dinosaur in the waiting room.*

Doctor: *Tell her I can't see her!*
