Room 23, Grades 3&4**

In independent reading our new reading unit was Greek Mythology. In math we learned more about fractions. Our vocabulary words were mythology, legend, ancient, religion, gods, goddesses, mortals, heroes, heroines, and odysseys. In writing we are doing the Great Mail Race. It is where third grade classes from all the states mail a letter to each other.

We went to the Pacific Science Center on April 23rd. For eight weeks we are doing Learning for Life. It is about joining a group.

In mythology there are three major gods. The gods are Zeus, he is the god of the sky and the god of all gods. There is Poseidon, he is the god of the sea. There is Hades, he is the god of the Underworld.

We practiced for the MSP. We started a new unit—the Space Unit! We took two MSP tests, a reading test and a math test. We are working on our mythology stories and making the stories our way.

Q: What's the country where most people get the flu?

A: GERMAN-y!

**Chase and Liam  
Room 9, Grade 3**

Well, in class we are making a social studies community. We don't know. Mrs. Salter might plan a party. We went to a fortune cookie factory. We were so excited to go to the fortune cookie factory. It was so much fun to go there. Awesome! We also had a big test.

What did one Easter Bunny say to the other Happy eggs day!  
Easter Bunny?

**John and Nuh

The Hummer Strikes Again. It happened on Thursday. Why? We don't know why. We like to read, and it's Friday, and we like to write sentences, and Hello! And Hi!

We went to a play, and we like to read, and we like to write, and the play is called THE BREMERTON MUSICIANS!
