We are making flowers for our moms and dads for taking care of us all year, and we love our moms and dads a lot. But we don't know how to pay our moms and dads back. When we grow up we will go to work to get a lot of money to give it to our moms and dads, and we will pay our moms and dads back. That is what we want to do when we grow up. We are going to the Key Arena March 29. We are going to see the Sonics in person.
