### Callan Room 4, Kindergarten

The two most favorite things I like about Kindergarten are Library and working in class. We are working hard on our number book. We are sorting apples by color and size. Room 4 found out that all apples are not the same.

### Latisha and Andrew Room 1, Grade 1

Latisha went to summer school and had reading groups. Andrew went to his cousin's house. In our class we have silent reading time every day. We've learned to do the calendar. People take turns having jobs. DJ had a birthday party. We are learning to tell the temperature, and we made thermometers. Andrew thought the tests were a little hard. Latisha thought tests were easy.

Why did the horsie cross the road?

To get something to eat: he was hungry.

Stories, poems, articles, and *great* jokes from student news reporters at Arbor Heights Elementary School in Seattle, WA

News from the classroom.....

**Courtney and Cassie  
Room 7, Grade 4**

Our new class has 30 kids. We took the math and reading tests. It was very easy. I (Courtney) went on a jet ski at a place called Cascade Park. I also got to slide down a 200 foot water slide. We took a field trip to the Aquarium.

What did the bug say to the sun?

Bug off, it's fall!

**Sara and Taylor  
Room 19, Grade 1**

We made apple puppets and our apple books. We worked on sounds. We made apple numbers. We made stoplights.

**Rachel and Patrick  
Room 9, Grade 3**

From Rachel:  
I like my new class because it has three computers. My best friend Kyla is in my class, so that makes me happy, and I made a new friend. We just started learning cursive and the four types of sentences.

What is the happiest state?  
.....*Maryland*.....

From Patrick:  
Last summer my family went on vacation to Leavenworth. I played golf and shot a 53 on nine holes. I like my new classroom because I really like my new teacher, Mrs. Salter. I also went to the Mariners game this summer. It was a blast! I like school this year because I'm learning more and more.

What did the bird say when he flew over the dollar store?

Cheap, cheap!

**Will and Arielle  
Room 12, Grade 3**

We've been doing graphs in math, and we have been doing printing on computers. We've been doing rocks and minerals in science in Mrs. Salter's classroom. We have a lot of work in our classroom. Three things are journals, daily oral language, and spelling.

*Joke time!*

Why did the man give his hot dog a sweater?

Because it was a chili dog!

**Delaney and Zachary  
Room 14, Grade 2**

Our classroom is making charts, like name charts, number charts, and birthday charts. And we are interviewing a friend.

Knock, knock.

*Who's there?*

Philip.

*Philip who?*

Philip my glass, I'm thirsty!

More classroom news.....

**Tyler P. and Tyler L.**

**Room 15, Grades 2&3**

Tyler P. took piano and swimming lessons. Tyler L. went to Oregon 10 times. Our classroom has a piano and a fooseball table, and a write-a-way room. At school this year we like the Library. Tyler P. likes seeing his brother in Kindergarten. Tyler L. likes seeing his friend Allison in Kindergarten. We love Safeco Field. Not looking forward to testing, but will do our best.

*Knock, knock.*

Who's there?

*Albe.*

Albe who?

*Albe outta school in nine months!*

**Marquis and Katie**

**Room 16, Grades 1,2&3**

We're getting ready to go see The Boxcar Children at The Children's Theater. The book is good so far. Kyle won tickets to the circus, and he invited the whole class. I saw clowns and motorcycles. A guy jumped backwards off the horse. It was lots of fun. My teacher was there, too.

**Lindsay and Jeff**

**Room 25, Grades 4&5**

Mrs. Haas is a fun and nice teacher. She has lots of good books to read. She has a cool snake named Reggie to watch. Testing wasn't our favorite thing, but it wasn't too bad. We went to the Salmon Homecoming with Mr. Swan's class as well as Ms. Sato's.

A man walked into a store. He picked up a TV, and as he was walking out, the store clerk said, "You have to pay for that."

"No", said the man, "it's a free country."

**Danny and Kelsey**

**Room 22, Grades 3&4**

We went on a field trip to the Salmon Homecoming. We saw Indian dances, and we went to a lot of different booths telling us about the environment. Mr. Swan teaches third and fourth grade. He read us a book called Wish Upon a Totem Pole.

Bob: Hey Joey, I was on TV!

Joey: Cool! How long?

Bob: Not too long. When my mom saw I was on TV, she made me get off.

**Jason and Dusty**

**Room 21, Grade 5**

Our classroom went swimming on Friday. We had fun, and we had races. We went in the deep end and jumped off the diving board. Then we went back to school. We watched a movie and ate popcorn.

In the summer I (Dusty) went to Wild Waves, and I went to Enchanted Village. My brother won me a three-foot Odie stuffed animal and a jumbo-sized teddy bear.

For my summer I (Jason) was on a baseball team. I also went to Paint Ball with my brother.

*Knock, knock.*

Who's there?

*Cheese.*

Cheese who?

*Cheese! Just open the door and let me in!*

## Even more classrooms news...

### Kara and Thao Room 24, Grade 5

What a fun summer I (Thao) had. I spent the whole time with my friends and family. Did you hear about the earthquake that happened in Taiwan? Wow! That was a big earthquake. On the first day of school it was pretty fun in Mr. Jordan's class. he was funny. We took two tests on the third day of school, it was pretty easy. Our teacher sometimes lets us read outside if it's a sunny day. On the first day of school it feels like the last day of school.

Why were Mickey Mouse and Goofy boarding the Space Shuttle?

Because they wanted to visit Pluto!

### Ryan

### Room 23, Grades 3, 4, & 5

The teachers are nice. We have a great classroom. We work hard and set a good example. We have a movie and treats on some Fridays. School serves the best food that was ever served at schools. Good art work is in the halls.

I played with a baby wolf in the woods this summer. I helped it. Poachers had shot a hole through the baby wolf's paw. I took the bullet out of its paw and wrapped it with a cloth.
