

Name: _____ Assignment 15 Date: _____

Go to the weekly link:

<http://www.animalsoftherainforest.com/frames.htm>

This web site is all about animals found in the Rainforest. On the left side of the screen, there are different categories (like “Fish” or “Birds”). Your job is to explore and learn about two.

Name: _____

Where does it live (habitat)?

What does it eat (diet)?

Name one of its enemies:

What are two interesting facts about this animal?

Name: _____

Where does it live (habitat)?

What does it eat (diet)?

Name one of its enemies:

What are two interesting facts about this animal?

On the back, draw a picture of one of your animals.
