St. Patrick's Fun at Kids Domain

<http://www.kidsdomain.com/holiday/patrick/index.html>

This week you have a chance to explore and learn a wee bit more about St. Patrick's Day.

Go to "Online Games and Riddles", and write down one of your favorites: _____

There are many things to print out at "Printable Puzzles" and "Pictures and Cards to Color". You may print out up to three things in black and white.

Be sure to try out "Other Green Sites". You'll find more Irish games, stories to read, online games to play (can you beat the Leprechaun at tic-tac-toe?), and lots more!

Good Luck!
