## WWW Assignment 9 "Learn about Our Solar System!"

Go to the Weekly Link:

<http://www.athena.ivv.nasa.gov/curric/space/planets/index.html>

Start thinking about which planet you would like to learn more about.....

- 1) Go down on this page and click on
  - "Task Card 1 - Information about a Planet"
- 2) Print out Task Card 1.
- 3) Go back, and click on the planet you want to find more about.
- 4) Use the information on that page to answer the questions on the task card.
- 5) Draw and color a picture of your planet:

Hand in this paper and your task card.

**Extra Credit!**  
**Print out and answer Task Card 2.**
