WWW Assignment 27 - Storm Chaser!

Go to the weekly link:

<http://learner.org/exhibits/weather/storms.html>

1) Click on:

2) Read the warning screen (in red), and click on

3) Click on a city on Kansas.

4) Look at the picture of the weather.

5) Click on

6) Click on the drawing that looks most like the weather picture you saw.

7) Close the smaller window, and look under the weather picture.

8) Choose the right summary

9) Type in the words to describe what the Storm Spotter's Guide told you.

10) Click on . The button is rectangular with the text 'SUBMIT THIS REPORT' in red capital letters on a grey background.

Do at least two more cities, and then click on **“When you're done reporting on each city, find out how the professionals classified these events.”**

Describe what you found in your three cities:

city

weather

1) _____

2) _____

3) _____
